

Questions & Answers - памятка

Как быстро понять, что именно спрашивают, и дать естественный ответ без лишнего повторения вопроса.

Главная схема ответа: direct answer -> useful detail -> reason / example (если нужно)

1. YES / NO

Do you travel often?

Yes, I do. I usually travel two or three times a year.

Схема: Yes/No + вспомогательный глагол + 1 полезная деталь.

2. WH- QUESTION

Where did you stay?

We stayed near the old town.

Отвечай на ключевое слово: where / when / why / how / what / which.

3. WHO / WHAT = SUBJECT

Who booked the hotel?

My husband did.

Если who/what сам выполняет действие, обычно не нужен do/does/did: Who booked...?

4. EITHER / OR

Would you rather cruise or fly?

I'd rather fly because it's faster.

Выбери один вариант и коротко объясни почему.

5. HOW + AMOUNT

How long / often / far / much / many?

For five days. / Twice a year. / About 10 km. / Around \$50.

Ответ должен совпадать с типом количества.

6. POLITE / INDIRECT

Could you tell me why the flight was delayed?

It was delayed because of bad weather.

Отвечай по смыслу. Не повторяй всю вежливую конструкцию.

Важно: одно слово часто грамматически возможно, но для нормального разговора лучше добавить 1 полезную деталь. Yes. -> Yes, I did. The trip was very relaxing.
